HPE will provide support for HPE server hardware and all HPE delivered drivers, firmware, utilities, tools and management software. Oracle will provide support of the operating system, software and in distribution drivers.

Please Note:

Oracle Linux is Supported and Certified with in-distro drivers only. All model options and configurations are not necessarily supported. Please contact your HPE representative for more information.

Alletra

Product	Processor Series	Minimum Oracle Linux Version	Installation Notes
Alletra 4110	4th Generation Intel® Xeon® Scalable Processors	Oracle Linux 9.0	
	5th Generation Intel® Xeon® Scalable Processors	Oracle Linux 9.3	
Alletra 4120	4th Generation Intel® Xeon® Scalable Processors	Oracle Linux 9.0	
	5th Generation Intel® Xeon® Scalable Processors	Oracle Linux 9.3	

DL Series
